Planted in the thick dense regions of the western ghats, **Coorg Cliff Resort** will take you back to nature and unwind you from the hustle bustle of a city life.

Set amidst the expansive coffee, pepper, papaya and other plantations, Coorg Cliff Resort is an ode to the land and its natural beauty. The positioning of this resort is any traveller's dream.

The property offers morning nature walks, camp fires, swimming and games and remains committed to customer satisfaction.

As with regards to the places you may wish to visit, I am sure you know it all. But if you want to experience peace and breathe fresh air waking up to the twinkle of the skies, chirping of birds, walks in the plantation and rosy sunsets, this is one place you cannot miss.

I am pleased to share some images for your knowledge and you can visit <https://www.coorgcliffsresort.com/> for more details and to book your stay with the concerned team.
